

Ballot on Bylaws Revision

At its meeting in San Francisco, the Division Two Executive Committee agreed that recent increases in membership necessitate separating the office of Secretary-Treasurer. Affiliates of the Division are not members of APA, so the Division's Secretary-Treasurer must bill them for dues. This time-consuming task was not part of the original duties of the Secretary-Treasurer. The Division's Executive Committee wants to separate the two offices in order to increase efficiency and to spread the workload. Margaret Lloyd, the current Secretary-Treasurer, will continue as Secretary and the Division will elect a Treasurer during the summer to take office in August 1992.

Although the Executive Committee is contemplating a number of bylaws changes, those changes are not yet ready to be presented to the membership. This particular change, however, is a matter of urgency so that we can proceed with the election of a treasurer.

Ballot

The proposal is to separate the office of Secretary-Treasurer into two offices, with a Treasurer to be elected during the next election. The language of the bylaws will be changed throughout to reflect this separation.
