

JOB ANNOUNCEMENT: COLLEGE OF PSYCHOLOGY FACULTY

JOB TITLE: Assistant/Associate/Full Professor

SUPERVISOR: Associate Dean of Faculty Affairs

EFFORT: Full Time or Part Time (Exempt)

EDUCATION: PsyD or PhD

Salary: \$90,000 - \$110,000

California Northstate University is dedicated to educating, developing, and training the next generation of healthcare professionals. It is comprised of a College of Pharmacy, College of Medicine, College of Health Sciences, College of Graduate Studies, College of Psychology, and the College of Dental Medicine. With the recent announcement that California Northstate is building its own medical facility, now is the time to join this growing and collaborative institution. The College of Psychology is accredited by BPPE, WASC and APA. We are an in-person program and do not provide online options to students or faculty. As our program continues to grow, we are looking for professors to teach a wide variety of classes in the next academic year. For more information on our program please go to psychology.cnsu.edu.

RESPONSIBILITIES

The full-time faculty are responsible for (part time have reduced responsibilities):

1. Preparing syllabi that follow both APA and WSCUC guidelines (assistance is provided)
2. Teaching courses that are both engaging and informative
